

# MultiMatic®

## Hinged Multipurpose Ladder

- Versatile 4-section aluminum hinged ladder with universal use: Can be used as leaning ladder, double standing ladder and also as work platform (only possible with model with 4x3 rungs)
- Can be quickly and easily stored; fits into the boot of the car
- The patented KRAUSE safety lock hinge system with one-hand release bar ensures the quick and safe ladder functioning through the simultaneously unlocking of a hinge pair with one hand
- Wide-span horizontal stabilizer bar with 2-component foot caps enlarges the standing area
- Non-slip, 2-component footcaps: The hard component ensures a strong connection of the cap with the rail; the soft component provides a strong surface stiction and prevents slipping of the ladder
